# **SNVICON** **2023**

**The 6<sup>th</sup> Annual Congress  
of Society of Neuro Vascular Interventions**

# Invitation

Greetings SNVI Members and Friends,

It is my pleasure to invite you as we celebrate **SNVICON2023** (The 6th Annual Congress of Society of Neuro Vascular Interventions) at ITC Grand Chola, Chennai. India from Oct 6th – Oct 8th, 2023. The annual congress will feature in person and live streamed content, ensuring that everyone is able to enjoy and benefit from the most outstanding educational event that will be offered this year.

The theme for this year meeting will be **“Technical and Technological Innovations and Beyond”**.

Neurointerventions for neurovascular diseases have advanced leaps and bounds in the past decade. We intend to bring forward the nuances of technological advances and innovations in devices and techniques that have happened in recent years. We ought to give a glimpse of concurrent advances in other modalities as a part of multimodal management of neurovascular disorders. We have various national and international faculties who will be enlightening the event with thoughtful lectures and discussions.

As we look back at the humble beginnings of SNVI as a society and its first conference in 2016 with limited members, we are tremendously proud of where we are now. Nationally and internationally recognized, fastest growing forum that attracts best and brightest from across the country from various clinical backgrounds. It is even more exciting to imagine the incredible achievements and advancements the future holds.

The conference agenda will be out soon, and our abstract site will be open for you to share your latest scientific advancements that inspire us and stimulate us to reach beyond what we do today.

Overall, we intend to bring you the best educational event mixed with cultural extravaganza at SNVICON 2023. Chennai has always been a great place for medical conferences with good connectivity, great cultural values, traditions, soul filling music and scrumptious food. Come enjoy, the hospitality at the cultural capital of India and gateway to southern India.

See you in Chennai soon....

**Dr Srinivasan Paramasivam**  
Organizing Secretary
